Subject: 'Submission': Proposal P1007: Primary Production & Processing Requirements for Raw Milk Products.

To Whom it may Concern,

I am a mother of five children and grandmother of two and am in favour of safely produced, natural, raw milk.

Upon examining the ancient practices and ways of life, one will find that "following the ancient path" is where wisdom is being found.

I am convinced that the only way for humanity and our Earth to survive is in this "returning".

Kind Regards,
