

SUBMISSION
P1007 – PRIMARY PRODUCTION & PROCESSING REQUIREMENTS FOR RAW
MILK PRODUCTS

Discussion Paper
By the South Australian Department of Health (SA Health)

Thank you for the opportunity to comment on the recent Discussion Paper for Proposal P1007.

SA Health supports the general objectives presented in the discussion paper to explore options to address the sale of raw milk products in Australia and New Zealand

At the current stage of development SA Health does not propose a position and will wait to consider the results of the risk assessment at the next stage of assessment. It is also advised that SA Health supports the comments provided by the Dairy Authority of South Australia in response to this consultation.
