They were Rose Souza Richards and Tony Robinson from MPI.

They gave their apologies for not being on the list – apparently Andy Pearson was supposed to let us know.

Rose is in compliance and Tony is in Biosecurity.

Hi Leigh

Would you mind sending me the names and affiliations of the extra bodies that participated in the Wellington end of yesterday's workshop. I managed to miss them when the introductions were done.

The names on the original list were:

Mariska Wouters – NZ Ministry for the Environment
Olivia Chamberlain – NZ Ministry for the Environment
Anne Aylwin – NZ Ministry for the Environment
John van den Beuken – NZ Ministry for Primary Industries

Many thanks

Janet
