

## Food Recall Report

FSANZ 2023/4

Date: 15/02/2023 04:09 PM

### Purpose of the report

*Please read and acknowledge.*

The information discussed in this report will be used by FSANZ to officially notify state and territory food enforcement agencies of the recall, who in turn may forward the information on to relevant agencies, such as local council, in their jurisdictions for further follow up action. Other government agencies (such as the ACCC), international agencies and industry organisations will also receive official notification of the recall.

Along with the official notification of the recall, FSANZ provides the product image, the final version of the recall notice/press advertisement and the distribution list to local, state and federal government agencies. Please inform FSANZ if any information provided during the recall is classified as “commercial-in-confidence”. FSANZ will only provide this information to government stakeholders.

The information placed on the FSANZ website and made publicly available only includes information which is provided in the press advertisement.

It is the company's responsibility to notify all direct customers of the recall and provide affected product information.
