To Whom It May Concern,

Please, whether you agree with the idea of Raw Milk, or not, please do not take away everyone's god given "right to choose". As an educated mother of two, I cannot understand why the government will let people smoke cigarettes legally and drink alcohol, but is so abhorrent to the idea of some of its citizens choosing to drink raw milk, it has made it illegal for us. Please help us to fight this ignorance.

Kind regards,

Kellie Lindstrom
