Hi s 22  
Thank you for providing your Post recall report to us.  
Just looking to clarify a couple of sections.

- The recall notice sent to customers appeared to outline stock recovery/informed of disposal. Was this suppose to be ticked as no?

<image001.png>

- You have not provided evidence of product disposal or other action taken for the recalled food. If you have any evidence, it will assist in closing the recall with NSW DPI.

If you have any questions, please let me know.  
Kind Regards,
