Hi [REDACTED]

There has been some media about nano and infant formula in the last 24 hours - and I would imagine Plunket and Health lines have received some queries from anxious mums and dads.

Here is the FSANZ take on it:

<http://www.foodstandards.gov.au/consumer/foodtech/nanotech/Pages/Nanoparticles-and-infant-formula.aspx>

We are linking in with MPI also.

Let me know if you need any further information.

Cheers  
Glen
