Thanks Amanda

I'd direct him to our website.

<http://www.foodstandards.gov.au/consumer/foodtech/nanotech/Pages/Nanoparticles-and-infant-formula.aspx>

If he needs more help try Leise on Nano more generally or Gill if the questions relate to infant formula. He might also want to try the INC or companies involved e.g. Nestle.

Cheers

Glen

Subject: Call from [REDACTED] re nano and infant formula [SEC=UNCLASSIFIED]

Hi Glen and Trevor

[REDACTED] from [REDACTED] rang me this morning seeking information on the media re nano in infant formula – his board had asked him a number of questions. I said I would pass this on to the relevant area in FSANZ.

Regards

Amanda
