### **FSANZ: Applications and Submissions - Submission**

Thursday, 20 December, 2012

- 1. Assessment Report Number:** A1055
- 2. Assessment Report Title:** A1055 - Short-chain fructo-oligosaccharides
- 3. Organisation Name:** Lianne Mather
- 4. Organisation Type:** Individual
- 5. Representing:** myself and Precious Darlings Childcare

[REDACTED]  
**7. Postal Address:** AA

**8. Contact Person:** Lianne Mather

[REDACTED]  
[REDACTED]  
[REDACTED]  
**12. Submission Text:** I strongly object to additives in baby formulae on the grounds of faecal consistency. Although some babies do get a little constipated it passes quickly and can be easily controlled by giving the baby a little water. Messing about with their food source in this way is unnecessary and dangerous. Thank you for your consideration.
