**RE: Submission on Proposal 1019:
Carbon Monoxide as a Processing Aid for Fish**

Dear Sir/Madam,

Daiwa Food Corporation is a Japanese Food importer and distributor.

I am writing you to express our full support of FSANZ's proposal to ensure that carbon monoxide is not permitted to be used as a processing aid for fish.

This new proposal is helpful to clarify the current code which is causing confusion in the market.

We welcome this proposal.

Yours sincerely,

Charles Pai
Director
