Administrative Assessment Report –Proposal P1021

Code Maintenance X

Brief Description of Proposal: To correct minor typographical errors or inconsistencies, update references, correct formatting issues, and correct cross references.		Potentially Affected Standards in the Code: Various Standards
Procedure: Minor Reasons why: Section 66 of the FSANZ Act applies as FSANZ is only proposing variations to the Code that <i>do not</i> : (a) impose, vary or remove an obligation on any person; or (b) create, vary or remove a right of any person; or (c) otherwise alter the legal effect of a food regulatory measure.	Estimated total hours: Max 100 hours Reasons why: Numerous minor amendments throughout the Code as identified in the list of issues to be included in the proposal.	Estimated start work: April 2012

Other Comments or Relevant Matters:

Pursuant to section 68 of the FSANZ the Act, FSANZ will consult with appropriate government agencies as well as affected stakeholders on the proposed amendments. Other members of the public are welcome to provide comments at this time. Also, there will be no need for risk assessment as the proposed changes do not result in a policy change.
