Project Officer Proposal P1040  
Food Standards Australia New Zealand  
PO Box 10559  
The Terrace  
WELLINGTON 6036

Dear Sir/Madam

**Proposal P1040 – Code Revision – Consequential and Corrective Amendments II – Call for Submissions Report**

Thank you for the opportunity to comment on this proposal. The Ministry for Primary Industries has the following comments to make. If we make no comment, we agree with the draft variation.

**Clause 3 Commencement**

Clause 3 (2) of the variation states that the commencement for items [1] and [4] of the Schedule commence on 19 January 2017. For added clarity, this could be rephrased as follows:

Items 1 and 4 of the Schedule *takes effect* on 19 January 2017.

**Schedule**

[7] – There appears to be an error, either in the title to this amendment, or in the proposed substitution. 1..5.2—2 (note 3 ) does not relate to the proposed substitution. Also, it would appear that the substitution is outdated, as there is no 1.1.1—10(3) (c ) and 4 (g).

[8] – the online version has the word ‘spread’ not in bold text, so the words to omit should read:

‘**edible oil** spread’

Yours sincerely

  
**Manager Food Science and Risk Assessment**
